

### B. Parker, New Credit Sales Mgr.

With nine years experience to his credit in the service and credits sales field, Bob Parker assumed to position of credit sales manager with Brown and Stewart, service station and B. F. Goodrich dealer at 2326 Torrance Blvd. (corner Madrid).

Parker, who is taking over the duties formerly handled by Harry Hughes, worked with one of the company's stores in Los Angeles previous to the present appointment. Before coming to California he had a tire business of his own. Parker comes from Dallas, Texas.

The new credit sales manager stated that he will be glad to help anyone with his tire needs and problems. He said that Brown and Stewart have just added a stock of Motorola TV to their line.

Regarding budget accounts, Parker said that it is surprisingly easy for customers to open such an account, especially on all tires though such an account extends to all auto and home supplies, tires, and batteries as well.

Since the store handles its own notes and no other agencies are involved, customers may carry accounts at extremely low charges, Parker stated.
